

Contributions and other spending 2021 [GRI 415-1]

In order to define Grupo Nutresa’s corporate guidelines related to the prevention, detection, investigation and response to fraud and corruption risks, the Company adopted an [Anti-fraud, anti-corruption and anti-bribery Policy](#) aimed at minimizing the probability of incurring in these risks as well as a declaration of zero tolerance to fraud and corruption. The Anti-fraud, anti-corruption and anti-bribery policy is part of the Corporate Governance Code and applies to all employees, clients, suppliers or third parties who have any relation with Nutresa or its companies in the strategic region

This policy provides that the legal representatives of Nutresa’s companies should ensure that the political or social contributions and sponsorships are not subject to fraud or corruption.

The Policy also states that al contributions should be made through Fundación Nutresa; otherwise, which has established for this purpose the [Policy on Donations for Democracy and Political Activity](#): this Policy includes guidelines regarding donations for democracy and political activity. It establishes the duty to comply with legal regulations regarding these contributions, the approval process, the requirements that must be met by both Grupo Nutresa and the beneficiaries, as well as the maximum amounts that are allowed to be donate; and the “Fundación Nutresa Management Model”, which establishes guidelines on social contributions and sponsorships.

In 2021, contributions to trade associations represented 100% of the total of contributions. Grupo Nutresa and its companies are members of various guilds, trade associations, chambers of commerce, among others. These entities contribute to the strengthening and promotion of Grupo Nutresa companies in the countries where it operates.
